INSTRUCTIONS

1. Use a pen to transfer on the NCR pattern to the background of the plate by pressing firmly with a pen as you trace over the lines.
2. Fill in each section with 3 coats of your desired color:
 - a. Sky: Just Blue
 - b. Grass: Kiwi
 - c. Grey mushroom stems: Storm
 - d. Tan mushroom stems: Sahara
 - e. Path: Sahara
 - f. Large spotted mushroom cap: Red Head
 - g. Small spotted mushroom cap: Red Hot
 - h. Gnome hat: Top is Sky Blue, rim is Blue Lagoon
 - i. Gnome robe: Deep Sea
 - j. Door and 2 remaining mushroom caps: Pumpkin Pie
 - k. Gnome shoes and remaining mushroom cap: Mocha Java
3. Add water to Licorice paint; 50% water to 50% paint. Use a liner brush to outline the design.
4. Use a marker to sketch out your writing. Trace over using a detail brush and one coat of Licorice paint.

TIPS

- 3 coats will give you a solid color.
- These colors are a suggestion, this would look great in any combo of colors.
- The harder your press on your brush, the heavier the line will be. Use even gentle pressure for thinner lines.
- The marker will disappear in the firing process.
